

CAMO

What began as a project to create print solutions for military use took us in unexpected directions. Our Design Solutions camouflage steel has been used in consumer applications such as hunting blinds, lodges, cabins, sheds, walk-in coolers, and both residential & architectural roofing and siding.

The color combinations were created to blend into a desert, forest, or snow setting.

We look forward to seeing where your inspiration leads this product.

NATURALS

Arctic CAMO
SRI 58 • XGRAAC02

Desert CAMO
SRI 37 • XGRADC02

Marshland CAMO
SRI 53 • XGRAMC02
