

Featuring a Textured and Rugged Look

Textured Rustics

Steelscape's Textured Rustics provide an unmatched color experience with the engaging combination of color and texture. These textured finishes feature a multi-toned weathered metal design in conjunction with a wrinkled paint system for optimum authenticity. Both designs interact dynamically with light to recreate the feel of traditional oxidized metal while minimizing surface sheen.

Supported by a robust warranty, these colors pair beauty and performance. Rustic Rawhide evokes the look of natural hide, while Sedona Rawhide offers an oxidized look without the rust. Steelscape's Textured Rustics offers authentic, weathered looks for metal roofing and siding.

Rustic Rawhide®
XRAWNR01

PATENT NUMBER: 10336114

Sedona Rawhide™
XRAWSR20

Color representation may vary due to printing limitations. Physical metal samples are available upon request. Product is batch sensitive, batches should not be mixed.

Textured Rustics Product Details

Product Overview	Two textured finishes that recreate the warmth and aesthetic appeal of naturally oxidized steel
Advantages to End Users	Two authentic weathered metal finishes without the maintenance and durability hassles of rusting steel
Applications	Ideal for metal siding, roofing, and architectural accent applications
Paint System	Super Durable Polyester
Warranty	30 year film integrity, 20 year chalking warranty
Available Thickness	0.0140" - 0.0296" (29 – 22 Gauge)
Available Substrates	TruZinc® (G60 or G90) or ZINCALUME® (AZ50)
Installation	Batch and direction sensitive
Strippable Film	Inquire with Steelscape for film recommendations for Textured Rawhide products
Product Location	Kalama, Washington

Textured Rustics Product Performance

	Rustic Rawhide®	Sedona Rawhide™
	XRAWNR01	XRAWSR20
Solar Reflectivity (SR)	0.31	0.28
Emissivity	0.88	0.90
Solar Reflectance Index (SRI)	32	30
Gloss	1-3	1-3
Light Reflectance Value (LRV)	8	17
