Learn more about metal and earn AIA Continuing Education Credits with our free online short courses. Visit the [Steelscape Learning Center](#) for details.

Color of the Month

The Charm and Depth of Timeless Bronze

Our Timeless Bronze color will give your design the enriching look of real bronze; only stronger, less costly and non-corrosive. This is one of three colors available in our [Brushed Series](#), which incorporate cool, energy-saving pigments and carry robust warranties of up to 30 years.

Use the link below to view the other colors in this series, warranties, guide specifications and more. While there, you can also request FREE samples to see this color for yourself!
